YOUR POLICY COVERAGE

We're delighted that as a responsible Pet parent, you've chosen to insure your companion with Petinsurance.com.au. The Vet Select policy is designed to provide some financial contribution towards the cost of unexpected Vet Expenses. Your Policy Schedule outlines all the various benefits you are entitled to in each Policy Period. We hope you never have to make a claim on this policy, however, in the event that your fur-friend needs veterinary Treatment for an unexpected Specified Accidental Injury or Illness, we're here to give you a helping hand towards the bill.

It's important to be aware that Annual Condition Limits apply to Vet Select Cover, which is designed to be a basic and economical plan. This means you will need to pay in full any Vet Expenses for each particular Condition once you reach the Annual Condition Limit for that Condition.

You should be aware that due to the Annual Condition Limit, this means there will also be a significant portion of the Vet bill that you will need to pay yourself in addition to the portion that is covered, particularly for those Conditions where the Vet Expenses are significant.

This will be least 10% of the Vet Expenses for Pets younger than eight years old, or 35% for Pets older than eight years old, and more where the Annual Condition Limit is reached. Once you reach the Annual Condition Limit for each particular Condition, you will need to pay the Veterinary Expenses in full for that Condition.

Some exclusions also apply, which you can read about in 'Section 2 – Vet Expenses' and 'Section 4: General Exclusions'.

Understanding the limits of this insurance policy

Petinsurance.com.au transfers some of the financial risks Pet owners face for Vet Expenses from the insured to the insurer. However, Pet Insurance.com.au does not cover every circumstance or expense and we have certain terms, conditions, exclusions and limitations like other forms of general insurance.

These include (but are not limited to) Consultation fees, Conditions such as pregnancy, Elective Treatments and procedures, pet foods/diets (unless covered under 'Section 2.6 – Prescription Diets' on page 36 and grooming. Medical Conditions that are present or that you were aware of (or that a reasonable person in your circumstances should have been aware of) prior to the Commencement Date of the First Policy Period or that arise during the applicable Waiting Period are considered Pre-existing Conditions and may be excluded from Cover. Pre-existing Conditions are assessed differently depending on whether they are Chronic Conditions or Temporary Conditions for your Pet. See the Pre-existing Condition definition on page 29 for more information. **If you feel this Cover does not suit your needs, we have more comprehensive policies available. FREQUENTLY ASKED QUESTIONS

Information about insurance coverage in this section is a summary only. You should read the Combined PDS, Policy Terms & Conditions and FSG for full details of Terms and Conditions, Waiting Periods and Exclusions.

Q. Are all Accidents covered under 'Specified Accidental Injury' cover?

- A.** A broad range of Specified Accidental Injuries are covered as listed under 'Section 2.1 - Specified Accidental Injury' on page 32. Injuries not specified may be covered under the Illness Cover section, subject to the policy terms and conditions. Refer to your Certificate of Insurance and Policy Schedule for details of your Cover.

Q. What percentage of my Vet Expenses am I covered for?

- A.** We will reimburse you the Benefit Percentage which will be shown on your current Certificate of Insurance.

The Benefit Percentage for Pets aged older than eight weeks and younger than eight years is 100%.

Once your Pet reaches his/her eighth birthday, the Benefit Percentage will reduce to 65% on the next policy renewal.

Benefit Limits apply. The Sub-limits are specified on your Policy Schedule on page 7

Q. What is the Sub-Limit?

- A.** This limit applies to each Condition for which you claim eligible Veterinary Expenses. In each Policy Period, we will not pay more than the Sub-limit shown on your Policy Schedule for any one Condition.

There is no limit on the number of Conditions you can claim for in each Policy Period. The Sub-limit resets on renewal each year.

You should be aware that due to the Sub-limit, this means there will also be a significant portion of the Vet bill that you will need to pay yourself in addition to the portion that is covered, particularly for those Conditions where the Vet Expenses are significant. This will be least 10% of the eligible Vet Expenses for Pets younger than eight years, or 35% for Pets older than eight years, and more where the Sub-limit for that particular Condition is reached.

Note: benefits cannot be accumulated across Policy Periods.

More examples of how a Sub-limit is applied can be found under 'Section 7: Claims' on page 42.

See the 'Benefit Limit(s) definition on page 26 for more information.

Q. What is the Annual Policy Limit?

- A.** This limit applies to the maximum benefit that can be paid to you in any one Policy Period. We will not pay more than the total Annual Policy Limit shown on your Policy Schedule in any Policy Period. The total Annual Policy Limit resets on renewal each year.

Note: Benefits cannot be accumulated across Policy Periods.

Q. What Waiting Periods apply?

- A.** There is a 20-day Waiting Period for Conditions covered under 'Section 2.2 - Illness Cover' on page 33, 'Section 2.4 - Behavioural Conditions' on page 35, 'Section 2.5 - Alternative and Complementary Treatment' on page 35 and 'Section 2.6 - Prescription Diets'.

There is a 6 month Waiting Period for Conditions covered under 'Section 2.3 - Dental Illness Treatment' and Cruciate Ligament Conditions.

There is no Waiting Period after the Commencement Date of the First Policy Period for Conditions listed under 'Section 2.1 - Specified Accidental Injury Cover' on page 32.

Q. I can't see a Condition listed on my Policy Schedule, does that mean it's not covered?

- A.** If the Condition is not listed in your Policy Schedule, you may be able to claim for it under your 'Other Conditions' Benefit as long as it is not a general exclusion. For example, an allergic reaction to a bee sting would be covered under 'Section 2.1 - Specified Accidental Injury Cover' on page 32 and up to the Sub-limit for 'Other Conditions' of \$1,200 per Policy Period. Multiple Conditions can be claimed for under the 'Other Conditions' Sub-limit however are subject to the \$1,200 annual limit. This limit will reset on renewal each year.

Q. What exclusions apply?

- A.** As with most insurance products, there are certain situations in which you will not be covered. There are some general exclusions such as Consultation fees, Pre-existing Conditions, some routine or preventative Treatments, some Elective Treatments and procedures and breeding or obstetrics.

It is important that you read all of your policy documentation for full details (including 'Section 2 - Vet Expenses', 'Section 3 - Additional Benefits', your Certificate of Insurance and 'Section 4 - General Exclusions'.

Q. Are x-rays, blood tests and other diagnostic tests covered?

- A.** Yes, you can claim for diagnostic expenses in relation to eligible Conditions covered by your policy. This means that elective or routine tests are not covered, nor are any tests related to a Pre-existing Condition or a general exclusion.

Q. What is a Pre-existing Condition?

- A.** If any Condition existed or occurred prior to the Commencement Date of your First Policy Period or within any applicable Waiting Period, and you or your Vet were aware of the Condition, or a reasonable person in your circumstances would have been aware of the Condition, then it may be considered to be a Pre-existing Condition and excluded from Cover. This is the case, irrespective of whether the underlying or causative Condition was diagnosed at the time.

Whether such a Condition is a Pre-existing Condition will depend on its nature and experience. If your Pet has a Temporary Condition that has not existed, occurred or shown noticeable signs, symptoms or an abnormality in the 18-month period immediately prior to your claim Treatment date, it will no longer be excluded from Cover as a Pre-existing Condition. Chronic Conditions and several other specified Conditions cannot fall within this category. Hereditary Conditions and Congenital Conditions will also not be considered to be a Pre-existing Condition if they have not shown noticeable signs, symptoms or an abnormality at any time before the Commencement Date of the First Policy Period or during any applicable Waiting Period.

Pre-existing Condition claim examples:

A pre-existing Temporary Condition that is covered	1. Prior to the Commencement Date of the First Policy Period, your Pet has a case of gastroenteritis due to some dietary indiscretion. The Condition is treated and your Pet recovers. You then purchase a pet insurance policy. Two years later, your Pet has another unrelated case of gastroenteritis. Your claim would be eligible for benefits because: • The first gastroenteritis episode was a Temporary Condition, given that it normally resolves with Treatment and is not on the list of excluded Conditions in that definition; • There was more than an 18-month gap between the Conditions; • The second episode of gastroenteritis was not a Related Condition; and • The Condition was not specifically excluded in the PDS. 2. Your Pet had a case of demodectic mange 18 months prior to the Commencement Date of the First Policy Period. The Condition is resolved after your Pet receives Treatment. Two years into the policy, your Pet contracts another case of demodectic mange. This claim would be eligible for benefits because: • The first Condition was a Temporary Condition that is normally resolved with Treatment and is not on the list of excluded Conditions in that definition; • Your Pet did not have demodectic mange, or show any noticeable signs, symptoms or abnormality in relation to that Condition for more than an 18-month period; and • The Condition was not specifically excluded in the PDS.
A pre-existing Chronic Condition that is not covered	3. Your Pet is limping and is diagnosed with a grade two luxating patella (dislocating kneecap) within the applicable Waiting Period of the policy. Your Vet prescribes anti-inflammatory medication. This claim is not covered, because you and your Vet became aware of the Condition within the 20-day Waiting Period for this Condition. Two years later, your Pet requires surgery for the patella luxation. This Condition is excluded from Cover because: • You and your Vet first became aware of the Condition in the applicable Waiting Period; • The Condition (patella luxation) is not a Temporary Condition, as it is specifically excluded from that definition; and • As a result, it remains a Pre-existing Condition two years later. 4. Your Pet has had recurring seasonal allergies every spring and summer since it was two-months old. This recurs for a period greater than three months. You purchase a pet insurance policy and two years later make a claim for another round of allergy treatment. Your claim would not be eligible for benefits because: • The Condition is a Pre-existing Condition, given that you were aware of it prior to Commencement of your First Policy Period; • Your Pet's seasonal allergy condition is not a Temporary Condition, as it is specifically excluded as a Chronic Condition. This is because it was long-lasting, recurring and affected your Pet for a period greater than three months; and • As a result, it remains a Pre-existing Condition two years later.

Q. What is a Temporary Condition?

- A.** A Temporary Condition is a Condition, which normally resolves with Treatment and which is not on the list of excluded Conditions in that definition. If your Pet has a Temporary Condition that occurred or existed prior to the Commencement Date of the First Policy Period or during any applicable Waiting Period, but the Condition has not existed, occurred or shown noticeable signs, symptoms or an abnormality in the 18-month period prior to your claim Treatment, it will no longer be excluded from your policy as a Pre-existing Condition. Refer to the 'Temporary Condition' definition on page 31 for more information.

Q. What is a Chronic Condition?

- A.** A Chronic Condition is long-lasting or recurring in its effects and affects (or is present in) a Pet over a period greater than three months in total. Chronic Conditions may also be intermittent or managed with medication and/or prescription diets with intervals of remission. If your Pet has a Chronic Condition that occurred or existed prior to the Commencement Date of the First Policy Period or during any applicable Waiting Period, it will always be excluded from your policy as a Pre-existing Condition.

For example: Your Pet first showed signs of diabetes and has been receiving ongoing Treatment for four months immediately prior to the Commencement Date of the First Policy Period. Diabetes is considered:

- a Pre-existing Condition because it occurred before the Commencement Date of your First Policy Period; and
- a Chronic Condition as it lasted in total for more than three months.

Therefore, all expenses incurred for diabetes or related to diabetes will not be covered.

Q. What is a Bilateral Condition?

- A.** A Bilateral Condition is a Condition affecting body parts of which the Pet has at least two, one on each side of the body (for example, ears, eyes, knees and elbows). Bilateral Conditions will generally be covered if you have the appropriate level of Cover, and the Condition is not a Pre-existing Condition or subject to a general exclusion.

However, when applying a limit or exclusion, a Bilateral Condition will be considered a single Condition. For example, if your Pet displays signs or symptoms of an ear Condition in the left ear prior to the Commencement Date of your First Policy Period or during the applicable Waiting Period, a subsequent ear infection in the right ear will still be considered to be a Pre-existing Condition (refer to the 'Bilateral Condition' definition on page 27).

Q. Will I have lifelong cover for my Pet?

- A.** Once your Pet is accepted for Cover and as long as you continue to renew your policy and pay your premiums without a break in Cover, your Pet will be covered for eligible Vet Expenses for life, with Cover subject to the applicable terms and conditions of the policy for each renewal period.

The benefit percentage will vary depending on the age of your Pet; see 'What percentage of my Vet expenses am I covered for?' for more details.

You can apply for Cover as long as your Pet is over eight weeks old and younger than five years.

Q. Can I seek pre-approval of my Pet's upcoming Treatment?

- A.** Yes. If your Pet requires Treatment and you wish to seek pre-approval of those costs, you can provide us with the itemised estimate of costs from your Vet, along with the Treatment required and relevant clinical records and/or veterinary history, and we will respond to you in writing with the outcome.

Note: Pre-approvals are not mandatory and not required in order to make a claim under your policy.

For more information, see 'Section 7.1 – Claim Pre-approval' on page 42.

Q. What are the claim requirements for adopted Pets?

- A.** For adopted Pets, if you can provide us with proof of adoption or transfer of ownership papers we will only request veterinary history from the date you took ownership onwards. Refer to 'Section 7 – Claims' on page 42 for full details on how to submit a claim and required documents.

Q. What if my claim reaches my Annual Policy Limit or Sub-limit?

- A.** Your Annual Policy Limit and Sub-limits are the maximum benefits that can be paid to you in any one Policy Period. If you do make a large claim (or several claims) and reach your Benefit Limits, your Benefit Limits will reset on your renewal date.

See the 'Benefit Limits(s)' definition on page 26 for more information.

PetSure does not act for you.

Pet Insurance Pty Ltd is authorised to distribute and promote Petinsurance.com.au but does not issue policies and is not involved in the assessment or payment of claims.

This PDS contains important information about:

- significant features and benefits of Petinsurance.com.au;
- your Duty of Disclosure when applying for Petinsurance.com.au;
- our internal and external dispute resolution procedures; and
- your cooling off rights when purchasing Petinsurance.com.au.

Please note that, while this PDS provides a summary of the significant features and benefits of Petinsurance.com.au, you must also read the Policy Terms and Conditions in this booklet to understand the insurance provided (including what terms, conditions, exclusions and limitations may apply to your Cover).

Sometimes we need to change the wording of the policy before it is issued to you because your insurance varies depending on a number of factors. We do this by adding what is called an endorsement. You will find any endorsements that apply to your policy printed on your Certificate of Insurance.

We may need to update this PDS from time to time if certain changes occur and where required by law. If the change results in a material change from the PDS you hold, we will provide you with a new PDS or supplementary PDS.

Protection for your pets

Subject to the terms, conditions, exclusions and limitations that apply to your Cover (as set out in this document), Pet Insurance.com.au provides:

- financial assistance for Vet Expenses in respect of the insured Pet occurring or showing signs or symptoms of a Condition within the Policy Period and after any applicable Waiting Period and subject to any excluded Pre-existing Conditions or general exclusions; and
- Cover for eligible Vet Expenses (as well as allowing You to use the services of any Vet in Australia). 'Vet Expenses' are defined in 'Section 1 – Definitions' on page 26 and may be subject to stated limits, and applicable Waiting Periods.

If a Condition exists or occurs before the Commencement Date of the First Policy Period or within an applicable Waiting Period, and you or your Vet were aware of the Condition, or a reasonable person in your circumstances would have been aware of the Condition, it may be excluded from Cover as a Pre-existing Condition. Whether that is the case will depend on the nature and experience of the Condition (please refer to the definition of 'Pre-existing Condition').

If your Pet has a Temporary Condition that has not existed, occurred or shown noticeable signs, symptoms or an abnormality in the 18-month period immediately prior to your claim Treatment date, it will no longer be excluded from Cover as a Pre-existing Condition. Chronic Conditions and several other specified Conditions that occur prior to the Commencement Date of the First Policy Period or during any applicable Waiting Period cannot fall within this category and will always be excluded from Cover.

Duty of Disclosure

Before you enter into an insurance contract, you have a duty to tell us anything that you know, or could reasonably be expected to know, which may affect our decision to insure you and on what terms.

You have this duty until we agree to insure you. You have the same duty before you renew, extend, vary or reinstate an insurance contract.

You do not need to tell us anything that:

- reduces the risk we insure you for
- is common knowledge
- we know or should know as an insurer; or
- we waive your duty to tell us about.

If you do not tell us something:

If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both. If your failure to tell us is fraudulent, we may refuse to pay a claim and cancel your contract.

Calculating your premium

Your premium is calculated when your Petinsurance.com.au policy begins, and at each policy anniversary (and if you vary or extend cover) and is printed on the relevant Certificate of Insurance.

The premium is calculated based on a number of factors. Some are pre-set and don't vary for each insured (e.g. amounts we take into account for certain internal costs and expenses). Others can affect the premium amount up or down depending upon whether we believe it increases or decreases the risk to us, such as the Cover you have chosen, Benefit Percentage, where you and your Pet permanently live, your age and the species, breed, gender of your Pet, the current age of your Pet, the age you first insured your Pet, and other factors related to our cost of doing business. The same factors may be used to calculate your premium when you amend your coverage. Further information about renewal premiums can be found under 'Automatic Renewal of our Policy' on page 24. The amount you pay includes allowances for government fees, taxes and charges (including stamp duty and GST). You can ask us for further information.

Minimum premiums and discounts/entitlements may apply, subject to certain criteria. Discounts/entitlements/premiums may be rounded up or down and only apply to the extent any minimum premium is not reached. They are also applied in a predetermined order (excluding amounts for government taxes and charges) as reduced by any prior applied discounts/ entitlements. They are applied to the base premium calculated prior to any taxes being added.

Financial Claims Scheme and Compensation Arrangements

Hollard is an insurance company authorised under the Insurance Act 1973 (Cth) (Insurance Act) to carry on general insurance business in Australia by the Australian Prudential Regulation Authority (APRA) and is subject to the prudential requirements of the Insurance Act.

The Insurance Act contains standards designed to ensure that, under all reasonable circumstances, financial promises made by us are met within a stable, efficient and competitive financial system. Because of this we are exempted by the Corporations Act 2001 (Cth) from the requirement to meet the compensation arrangements Australian Financial Services licensees must have in place to compensate retail clients for loss or damage suffered because of breaches by the licensee or its representatives of Chapter 7 of that Act.

We have compensation arrangements in place that are in accordance with the Insurance Act. If we were to fail and were unable to meet our obligations under your policy, a person entitled to claim under insurance cover under the policy may be entitled to payment under the Financial Claims Scheme (access to the Scheme is subject to eligibility criteria). Information about the Financial Claims Scheme can be obtained from www.fcs.gov.au.

POLICY TERMS AND CONDITIONS

The Petinsurance.com.au Vet Select policy

Upon acceptance of application for your Policy, you will be issued with a Certificate of Insurance that states your level of cover and a Policy Schedule that outlines your Sub-limits. You will be issued a new Certificate of Insurance, when:

- You renew your Policy each year; or
- If you or we change your Cover.

Your policy will continue for a period of 12 months from the policy Commencement Date unless cancelled by you under the cooling off period as explained on page 18 or cancellation provisions of the policy as explained in 'Section 6 – Cancellations' on page 41. We also have certain cancellation rights at law. For your convenience and to ensure continuity of cover for your Pet, we will automatically renew your policy each year, (refer to the 'Automatic renewal of your policy' section at the bottom of this page).

Your policy comprises the Certificate of Insurance, Policy Schedule, PDS, Policy Terms and Conditions, FSG and any endorsements issued by us from time to time.

The basis on which we insure you

Subject to the Terms and Conditions of the policy, we will reimburse the Vet Expenses incurred by you as a result of a Treatment to the insured Pet for covered Specified Accidental Injury or Illness Conditions up to the specified Benefit Percentage, but subject to any applicable Benefit Limits and Sub-limits, provided that:

- you have paid or agreed to pay the premium to us for the Cover provided;
- the Specified Accidental Injury or Illness Condition(s) (whichever is applicable) arose during the Policy Period; and
- the Treatment occurred during the Policy Period.

Where we agree to provide Cover under the policy we rely on the representations made by you during your application for insurance.

Cover under the policy will depend on the level of Cover you have chosen. Your Certificate of Insurance will state the plan and policy benefits applicable to your Pet.

Additional and optional benefit(s) may also be provided if specified on your Certificate of Insurance.

Automatic renewal of your policy

We will offer renewal of your policy every year for so long as we continue to provide this product. At least 14 days prior before your current policy expires we will send you a renewal notice confirming when your insurance will expire and the premium and terms on which your insurance will automatically renew for a further period of insurance. It will also remind you that you can opt out of the automatic renewal process and to check the limits of cover provided under the policy to see if your level of insurance cover remains appropriate for you.

Your Cover will be automatically renewed on the terms contained in the renewal notice (unless you have opted out of automatic renewals or contact us to tell us that you do not want to renew on the terms of the renewal notice) and we will deduct/charge the renewal premium from your nominated account/credit card. If the account/credit card is not yours, you confirm you have the authority of the relevant person to use it and they have agreed to these terms.

Every year, we review the cost of everyone's insurance with regards to a combination of factors as well as claims inflation across all our insured pets. These factors include your Pet's age, breed, location, duration for which your Pet has been insured, claims history, as well as data relating to the health of Pets that are a similar age and breed. Your premium takes into account the average cost of care for Pets like yours. We may also change the terms and conditions of the policy upon renewal based on the risk associated with insuring Pets like yours. We may also change the terms and conditions of the policy upon renewal based on the risk associated with insuring Pets like yours.

Should you renew your policy, you must tell us if the information you have previously supplied is incorrect or incomplete in order to comply with your Duty of Disclosure. If you do not, we may reduce or refuse to pay a claim or cancel the policy.

Delivery of your policy documents and policy related communications

Unless you tell us otherwise or we tell you it is no longer suitable we will send your policy documents and policy related communications electronically. This includes email and/or other methods of electronic communication. You will need to provide us with your current email address and your mobile phone number. Each electronic communication will be deemed to be received by you on the transmission date recorded in our systems. Where we deliver your policy documents and policy related communications by mail in printed form all such communications will be deemed to have been successfully delivered once mailed by us to your last notified postal address.

Some important things you should know

Benefits do not accumulate across Policy Periods. The policy benefits will expire at the end of each Policy Period, and your Benefit Limits will reset. Your rights and duties under the policy cannot be transferred without our prior written consent. It is a Condition of Cover that your Pet must regularly reside with you and be under your regular care and supervision at the physical address you provided to us.

It's important to remember that insurance policies cannot cover every scenario and have certain Benefit Limits. This means you may still have a portion of the bill that you will need to cover yourself.

SECTION 1 - DEFINITIONS

When interpreting these Policy Terms and Conditions:

- references to the singular include the plural and vice versa, and to the masculine include the feminine and vice versa; and
- monetary references are in Australian dollars.
- a reference to any legislation contained in the policy includes any amendment, replacement, re-enactment or successor legislation.

Words that are capitalised have the special meaning explained below:

Accident means:

- a single specific, unpredictable, unusual and unintended external event which occurs at a particular time and place, with no apparent or deliberate cause but with marked effects; and
- is independent of any other cause including any Pre-existing Condition.

Alternative or Complementary Treatment means the cost of any procedures and tests for the following treatments (excluding Consultations) where they treat an Illness or Specified Accidental Injury and have been recommended by a Vet:

1. **Acupuncture** means the use of metal needles to stimulate anatomical points, often with the addition of manual manipulation, heat or electrical stimulation which is carried out by a Vet for Treatment of a Condition.
2. **Chiropractic Manipulation** means mechanical manipulation of the musculoskeletal system and other supporting soft tissue structures for treatment of musculoskeletal and nervous system Condition which is carried out by a qualified animal chiropractor or Vet for treatment of a Condition.
3. **Hydrotherapy** means the treatment of a Condition, with, or in, water, including swimming in a pool and the use of a water treadmill, which is carried out by a qualified animal hydrotherapist, physiotherapist or Vet, providing the Hydrotherapy is carried out in a pool/water or treadmill owned by the veterinary practice.
4. **Physiotherapy** means the use of physical manipulation, exercise therapy, and electrotherapy (not including Hydrotherapy) in order to improve mobility and musculoskeletal or nervous system function, carried out by a qualified animal physiotherapist or Vet for treatment of a Condition.

For further details of this benefit, see 'Section 2.5 - Alternative and Complementary Treatment' on page 35.

Anal Gland Condition means a Condition of the anal gland of a Pet. This includes, but is not limited to impaction/blockage, infection or inflammation of the anal gland and any Condition for which anal gland expression is required.

Behavioural Condition means any change to Your Pet's usual behaviour, directly caused by a medical, mental, or emotional disorder which could not have been avoided by training or medical intervention, that has been diagnosed by a Vet. For further details of this benefit, see 'Section 2.4 – Behavioural Conditions' on page 35.

Benefit Limit(s) means the applicable amount(s) payable in any one Policy Period, in relation to the relevant Cover as specified on your Certificate of Insurance and Policy Schedule. If a Benefit Limit for a particular Cover, item, Condition or Treatment on an individual or per claim basis is specified to apply on your Certificate of Insurance or Policy Schedule, we will not pay more than that amount.

There are two Benefit Limits that apply:

- **Sub-limit:** This limit applies to each Condition claimed on your Policy Schedule. We will not pay more than the Sub-limit shown on your Policy Schedule for any one Condition. There is no limit on the number of Conditions you can claim in each Policy period.
- **Annual Policy Limit:** This limit applies to the maximum benefit that can be paid to you in any one policy period. We will not pay more than the Annual Policy Limit shown on your Certificate of Insurance in any Policy period.

Note: The Benefit Limits reset on renewal each year.

Benefit Percentage means the stated percentage of each claim for eligible Vet Expenses for which we will reimburse you, subject to any applicable Benefit Limit and Sub-limit.

The Benefit Percentage for Pets aged 0 – 7 years is 100%. Once your Pet reaches his/her 8th birthday, the Benefit Percentage will reduce to 65% on the next policy renewal.

Note: The applicable Benefit Percentage will be shown on your Certificate of Insurance.

For example: For a 65% Benefit Percentage we will reimburse you for up to 65% of the eligible Vet Expenses, subject to Benefit Limits payable. Refer to page 23 for an example of how claim payments are calculated.

Bilateral Condition means any Condition affecting body parts of which the Pet has at least two, one each side of the body (e.g. ears, eyes, knees and elbows).

Note: When applying a Sub-limit, Benefit Limit or exclusion, a Bilateral Condition will be considered a single Condition.

For example:

1. if your Pet has had elbow dysplasia in the left elbow prior to the Commencement Date of the First Policy Period or during the applicable Waiting Period, which falls within the definition of Pre-existing Condition, subsequent elbow dysplasia in the right elbow will still be considered a Pre-existing Condition.
2. If your Pet suffers from patella luxation in its left hind leg and arthritis in its right hind leg, this is not a Bilateral Condition, as patella luxation and arthritis are not the same Condition.

Brachycephalic Obstructive Airway Syndrome (BOAS) means a Condition of the respiratory tract of a Pet which is composed of one or more of the following anatomical abnormalities: elongated soft palate, stenotic nares, everted laryngeal sacculles and/or a hypoplastic trachea.

Cancer means a Condition in which any cell or group of cells in the body of a Pet undergoes malignant transformation.

Certificate of Insurance means the relevant certificate we provide outlining the key details of the contract of Insurance between you and us, and identifying the policy number, Cover, Commencement Date, End Date and insured Pet, Policy Schedule including Sub-limits.

Chronic Condition means a Condition that is long-lasting or recurring in its effects and affects (or is present in) your Pet over a period that is greater than three months in total (the three-month period need not be consecutive). Chronic Conditions may also be intermittent or managed with medication and/or prescription diets with intervals of remission.

Examples include but are not limited to chronic or seasonal allergies, inflammatory bowel disease, diabetes, osteoarthritis, cancer and some autoimmune diseases.

This definition is relevant to determining whether a Condition is a Pre-existing Condition (please refer to the definitions of 'Pre-existing Condition' and 'Temporary Condition'). If a Chronic Condition is a Pre-existing Condition, it will be excluded from Cover.

For example: Your Pet first showed signs of diabetes and has been receiving ongoing Treatment for four months immediately prior to the Commencement Date of the First Policy Period. Diabetes is considered:

- a Pre-existing Condition because it occurred before the Commencement Date of your First Policy Period; and
- a Chronic Condition as it lasted in total for more than three months.

Therefore, all expenses incurred for diabetes or related to diabetes will not be covered.

If a Chronic Condition is a Pre-existing Condition, it will be excluded from Cover.

Commencement Date means 11:59pm on the date where Cover for your Pet first started as shown on your Certificate of insurance. Unless otherwise specified, this relates to the Commencement Date of your current Policy Period.

Condition means any Specified Accidental Injury, or any manifestation of an Illness, including but not limited to any:

- Anal Gland Condition;
- Behavioural Condition;
- Bilateral Condition;
- Cruciate Ligament Condition
- Ear Condition;
- Related Condition; or
- Skin Condition.

Consultation and other derivations means an examination performed by or under the supervision of a Veterinarian (including whether or not part of Treatment) and/or any professional that specialises in acupuncture, chiropractic manipulation, physiotherapy, hydrotherapy or behavioural trainers, including a physical Consultation, inpatient examination, in-hospital examination, health certificate, Consultation or recheck Consultation/visit, referral/specialist Consultation/visits, emergency and after-hours Consultations/visits.

Cover means:

- the Benefit Limits, Benefit Percentage, and any other options applicable to the policy you have selected; and
- where relevant, the Cover applicable under any previous policies you have held with us where the same or a substantially similar or a higher level of Cover was provided in the current Policy Period.

Information about the Cover can be found in 'Section 2 – Vet Expenses' on page 32.

Cruciate Ligament Condition means partial or complete rupture of the cruciate ligament(s). This includes meniscal tears, any looseness of the cruciate ligaments along with any complications following Treatment for this Condition.

Note: A Cruciate Ligament Condition is considered a single Condition irrespective of whether one or both legs are affected. Please refer to the 'Bilateral Condition' and 'Benefit Limit(s)' definitions on page 26.

Dental Illness Condition means Vet Expenses in relation to a dental illness, as listed under 'Section 2.3 – Dental Illness' on page 34, which is diagnosed by your Vet. This benefit is payable up to the Sub-limit specified on your Policy Schedule. For further details of this benefit, see Section 2.3 on page 34.

Ear Condition means a Condition affecting any structure of the ear, including the outer/external, middle and inner ear.

Elective Treatment means a Treatment or surgery that is beneficial to your Pet but is not essential for your Pet's survival or does not form part of the Treatment for a Condition. Refer to 'Section 4 – General Exclusions' on page 38.

End Date means 11:59pm on the date upon which your policy terminates and benefits cease. Unless otherwise specified, this relates to the End Date of your current Policy Period.

Note: The End Date is shown on your Certificate of Insurance. If the policy is cancelled, then the date of cancellation will be deemed to be the End Date.

First Policy Period means the time during which we first provided Cover to you.

GST means the Australian Goods and Services Tax at the officially published tax rate.

Illness means a sickness or disease or Illness which:

- is not included under Specified Accidental Injury Cover; and
- is independent of any Pre-existing Condition.

Pet means the cat or dog, covered under the policy and named on your Certificate of Insurance.

Policy Period means the time during which we provide Cover as specified on your Certificate of Insurance.

Policy Schedule means the relevant schedule we provide outlining the Sub-limits of your Cover.

Pre-existing Condition means a Condition that existed or occurred prior to the Commencement Date of your First Policy Period or within any applicable Waiting Period, of which you or your Vet were aware or a reasonable person in your circumstances would have been aware, irrespective of whether the underlying or causative Condition has been diagnosed, subject to the following:

- a Temporary Condition which has not existed, occurred or shown noticeable signs, symptoms or an abnormality in the 18-month period immediately prior to your claim Treatment date will not be a Pre-existing Condition (please refer to the definitions of 'Temporary Condition', 'Chronic Condition' and 'Cruciate Ligament Condition');
- a Temporary Condition which we have agreed in writing will not be a Pre-existing Condition, following a Pre-existing Condition Review, will not be a Pre-existing Condition (please refer to the terms of a Pre-existing Condition Review on page 38); and
- a Related Condition of a Pre-existing Condition will also be a Pre-existing Condition.

(Please also refer to the definition of 'Condition', which includes a 'Bilateral Condition' and 'Related Condition')

For example: Six weeks prior to the Commencement Date of your First Policy Period, you notice your Pet has a Condition involving limping on its left back leg and you take it to the Vet. Your Vet prescribes anti-inflammatory medication. 12 weeks after purchasing a policy the limping is diagnosed as degenerative joint disease. The Condition would be a Pre-existing Condition and excluded from Cover,

notwithstanding that the diagnosis was not provided until after the Commencement Date.

Prescription Diet means a specific food, recommended by your Vet, designed to treat a specific illness or disease. For further details of this benefit, see 'Section 2.6 – Prescription Diets' on page 36.

Related Condition means a Condition that results from the same disease process, arises as a consequence of or has the same diagnostic classification as another Condition, regardless of the number of areas of your Pet's body that are affected.

For example:

1. If your Pet suffers from Cruciate Ligament conditions in both legs, all future occurrences of Cruciate Ligament Conditions will be considered to be Related Conditions.
2. If your Pet suffers from diabetes and then develops a cataract as a consequence of the diabetes, the cataract will then be considered a Related Condition.
3. If your Pet suffers from a skin hotspot, then later suffers from ringworm on its skin, these are not Related Conditions, as the ringworm is not as a consequence of the hotspot, nor do they follow the same disease process or diagnostic classification.

Skin Condition means any Condition regardless of cause or origin presenting in or affecting the skin in any way whatsoever.

Note: For the purposes of the policy Skin Conditions are deemed to include skin lumps.

Specified Accidental Injury means physical harm or injury arising from an Accident that is a consequence of or results in one of the following:

- a motor vehicle incident;
- a burn or electrocution;
- an allergic reaction to the following insect and arachnid bites:
 - ants;
 - bees;
 - flies;
 - mosquitoes;
 - scorpions;
 - spiders; and
 - wasps.
- a bone fracture;
- a snake bite toxicity;
- a traumatic ligament or tendon injury;
- a bite wound or fight wound abscesses; or
- lacerations or abrasion of tissue, skin or mucous membrane due to external violence.

See 'Section 2.1 – Specified Accidental Injury Cover' on page 32 for more information.

Temporary Condition means a Condition which normally resolves with Treatment, other than:

- Cruciate Ligament Conditions;
- intervertebral disc disease;
- hip dysplasia;
- elbow dysplasia;
- patella luxation;
- endocrine diseases; and
- any other Chronic Condition.

This definition is relevant to determining whether a Condition is a Pre-existing Condition (please refer to the definition of 'Pre-existing Condition')

For example: Your Pet has dietary related gastroenteritis prior to the Commencement Date of your First Policy Period that is resolved with medication. Your Pet does not suffer any further instances of dietary related gastroenteritis until three years later, when your Pet suffers another gastroenteritis episode. This Condition would be a Temporary Condition which has not existed, occurred or shown noticeable signs, symptoms or an abnormality in the 18-month period immediately prior to the second gastroenteritis episode, so would not be a Pre-existing Condition and would be coverable subject to your policy terms and conditions.

Treatment means reasonable and customary hospitalisation, surgery, x-rays, medication, diagnostic tests, nursing and other care and procedures provided by a Vet to relieve or cure a disease, illness or Specified Accidental Injury during the Policy Period.

Vet means any veterinarian, veterinary specialist, animal hospital, animal clinic, or animal surgery, other than yourself, who is licensed in and currently registered in Australia (with the exception of additional benefits provided under 'Section 2.3 – Behavioural Conditions' to 'Section 2.5 – Prescription Diets' on pages 35).

Vet Expenses means the reasonable, customary and essential expenses incurred and paid in respect of Treatment provided by a Vet during the Policy Period.

Veterinary Behaviour Specialist means a Vet who has completed further study in animal behaviour such as FANZCVS and/or DACVB and/or DipECAWBM or a Vet directly training under a Veterinary Behaviour Specialist.

Waiting Period means a period starting from the Commencement Date of the First Policy Period during which a Condition that exists or occurs, of which you or your Vet are aware or a reasonable person in your circumstances would be aware, will be considered a Pre-existing Condition, subject to the terms of the definition of 'Pre-existing Condition' and unless otherwise stated in your Certificate of Insurance.

See 'Section 2- Vet Expenses' for Waiting Periods that apply.

SECTION 2 - VET EXPENSES

Vet Select Cover is applicable if:

- It is shown on your Certificate of Insurance; and
- Your Pet was over eight weeks old and younger than five years of age at the Commencement Date of your First Policy Period.

If you have a Pet over five years of age you will not be eligible to make a new application for Cover where there has been a break, lapse or change after reaching the age of five.

2.1 SPECIFIED ACCIDENTAL INJURY COVER

2.1.1 What you are covered for:

We will pay you the Benefit Percentage for the Vet Expenses incurred by you for Treatment during the Policy Period up to the applicable Annual Policy Limit and Sub-limits, as a result of your Pet suffering a Specified Accidental Injury or Cruciate Ligament Condition in one of the circumstances described below. The Sub-limits are stated on your Policy Schedule.

To qualify for Cover under this section of the policy, the Specified Accidental Injury or Cruciate Ligament Condition must have occurred during the Policy Period and:

1. Be a direct consequence of at least one of the following:
 - a. a motor vehicle incident;

 - c. an allergic reaction to the following insect and arachnid bites:
 - i. ants;

or,

Waiting Period

1. There is no Waiting Period after the Commencement Date of the First Policy Period for Specified Accidental Injury items, except Cruciate Ligament Conditions.

2. The Waiting Period for Cruciate Ligament Conditions and any Conditions arising therefrom irrespective of cause or origin, are subject to a six month Waiting Period, unless:

- a. we have received a completed and signed 'Cruciate Ligament Exam Form' from your Vet within 14 days of the cruciate examination date certifying that your Pet has been examined, at your expense, on or after the policy Commencement Date of the First Policy Period; and
- b. you receive written notification from us confirming our agreement to waive this Waiting Period following our assessment of the information provided on the 'Cruciate Ligament Exam Form'.

Any waiver is at our discretion and we are not required to provide justification for declining a request under this provision.

SECTION 7 - CLAIMS

7.1 CLAIM PRE-APPROVAL

If your Pet requires Treatment and you wish to seek pre-approval of those costs, you can provide us with the itemised estimate of costs from Your Vet, along with the Treatment required and relevant clinical records and/or veterinary history, and we will respond to you in writing with the outcome.

A pre-approval shall not be deemed to be valid unless we have agreed to it in writing. The reimbursed amount may vary from the pre-approval if the Treatment provided by your Vet differs from the Treatment request in the pre-approval.

To request a pre-approval:

Call us: 1300 855 663

Email us: petinsurance@petsure.com.au

Note: Pre-approvals are not mandatory and not required in order to make a claim under your policy.

7.2 HOW TO MAKE A CLAIM

Should you need to submit a claim, your Vet may be able to do this for you electronically, at the time of your visit. If you elect to have your Vet submit your claim on your behalf, we will still communicate with you regarding the status of your claim. If your Vet has agreed to submit your claim electronically on your behalf, you agree we are authorised to receive each such claim submitted.

Alternatively, you can also submit your claims online through the secure Pet Portal: portal.petsure.com.au/peti/Login

Simply upload your documentation and click submit (from your computer or your mobile device).

You can also complete a paper claim form and send your original documentation via post. If you choose to claim via post, the attending Vet must complete all sections on the claim form where designated and both you and the attending Vet must sign the claim form.

All claims must be completed carefully and honestly.

Claim forms are available by calling us on 1300 855 663 or visit www.petinsurance.com.au.

7.3 IMPORTANT CLAIM INFORMATION

1. Unless agreed to by us, all claims must include itemised tax invoice/s, payment receipt/s (except when the claim is submitted via our GapOnly™ claim system, where available) and applicable Consultation notes. If submitting a claim by post all claim documentation must be originals and must be accompanied by a completed claim form.
2. Incomplete claim forms will be returned to you and this may result in a delay in processing your claim. We recommend that you retain copies of all documentation for your records.
3. When submitting a claim, please include all relevant invoices and clinical records from your Vet. Please note:
 - a. In some instances, we may require more information to process your claim, such as previous medical history or pathology / laboratory results. If this is the case, we will contact you for this information.

- b. There may be also scenarios where we request additional veterinary history from current or previous Vets (such as if there is a large history gap) to ensure we have all relevant clinical information for your Pet.
 - c. For adopted Pets, veterinary history is only required from when you took ownership. If you can provide us with proof of adoption or transfer of ownership papers, we will only request veterinary history from the date you took ownership onwards.
- 4. All accounts must be paid in full prior to submission of your claim (unless you are submitting a claim using our GapOnly™ claim system (where available), whereby you agree that you will pay the Vet the remaining portion of the tax invoice (if any) after the claim payment (if any) is made by us to your Vet).
 - 5. You agree that your Vet (current or previous) or any other service provider that provided Treatments to your Pet are authorised to release information and/or records to us about your Pet.
 - 6. Where a Vet submits a claim on your behalf, you agree that the Vet is able to view the outcome and status of that claim and previous claims (where applicable).
 - 7. You agree that we are authorised to discuss with the Vet, details relating to your claim or Treatment provided to your Pet in relation to a claim made under the policy.
 - 8. We will not reimburse you for the provision of any information required in the purchase and administration of the policy nor for the assistance provided to you in the completion of any forms relating to the policy including the provision of any information in relation to a claim made under this policy.

7.4 PROCESSING OF YOUR CLAIM

- 1. We will deal directly with you regarding settlement of the claim. Where available, where our GapOnly™ claim system is used by your Vet to submit your claim, we will also provide information to your Vet about the settlement of your claim.
- 2. Unless we agree otherwise, we will pay you, not the Vet. Where available, where our GapOnly™ claims system is used by your Vet to submit your claim, we will provide payment of your claim directly to your Vet.
- 3. If the Vet Expenses are excessive, unreasonable or significantly higher than other Vet Expenses in a similar situation, then claim payments may be adjusted and paid based on the reasonable and customary Treatment or fees typically charged for the Treatment of that Condition, for a Pet in similar circumstances.
- 4. We will send you a letter/remittance advice regarding the settlement of your claim that will provide details of how your claim has been dealt with.
- 5. If you submit a fraudulent claim, or solicit your Vet to behave in a fraudulent manner regarding a claim, then the claim may be denied and we may cancel your policy altogether. We may also be entitled to reclaim any payments already made to you in respect of such claims.
- 6. When we settle your claim, we reserve the right to deduct from the benefit amount any amount due to us.
- 7. In the event that we pay a benefit contrary to the Policy Terms and Conditions for whatever reason, this will not constitute a waiver retrospectively as they stand to any paid claims or to any future claims for that or any Related Condition. We also reserve our right to recover from you any benefit amount received by you as a result of such error.
- 8. You agree that we have the right to decline to process a claim where you or your Vet refuse or are unable to provide information reasonably requested by us in order to process your claim.

7.7 OTHER INSURANCE ARRANGEMENTS

If we accept your claim and there is any other similar insurance under which you are entitled to claim, you are required to advise us at the time you submit your claim if you hold such other insurance. Total benefits paid to you across all insurance cannot exceed your actual expenses.

SECTION 8 - FRAUD

It is unfortunate that with all types of insurance, fraud and attempted fraud can occur. We employ sophisticated fraud detection and prevention techniques to ensure we only pay out on genuine claims. By doing this we are protecting the interest of all policyholders.

You must not act in a fraudulent manner. If you or anyone acting for you:

1. make a claim under the policy knowing the claim to be false or fraudulently exaggerated in any respect;
2. make a statement in support of a claim knowing the statement to be false in any respect;
3. solicit your vet to behave in a fraudulent manner regarding a claim;
4. submit a document in support of a claim knowing the document to be forged or false in any respect; or
5. make a claim in respect of any loss or damage caused by your wilful act or with your connivance.

Then:

1. we shall not pay the claim;
2. we shall not pay any other claim which has been or will be made under the policy;
3. we may cancel the policy;
4. we may at our option cancel any other pet insurance policies you hold which are issued by Hollard;
5. we may be entitled to reclaim any payments already made to you in respect of such claims;
6. we may not make any refund of premium already paid; and
7. we may inform the police of the circumstances.

SECTION 9 - PREMIUMS

When you provide us with your bank details, you are instructing us to directly debit the relevant premiums calculated by us from your nominated account.

If your premium cannot be paid (for example there is not enough money in your nominated account) your bank may dishonour that payment, and you may be charged a dishonour fee by your bank. Neither Hollard, Petinsurance.com.au nor PetSure will be responsible for dishonour fees charged by your bank or financial institution. If your direct debit is dishonoured we will automatically retry for the outstanding amount within 14 days, and you may be charged a dishonour fee by PetSure.

If you have concerns about the operation of the direct debit authority or you subsequently need to change any aspects of the authority, please notify us.

SECTION 10 - CHANGING YOUR LEVEL OF COVER

1. If you opt to transfer your Pet to a level of Cover with different or additional benefits (including but not limited to a different Benefit Percentage or Benefit Limits, or additional coverage) then a new policy and Certificate of Insurance will be issued to you and your previous policy will be cancelled. Waiting Periods already served will not reapply, unless there has been a break or lapse in Cover. Please note that Waiting Periods for Conditions or items that were not covered under your previous policy will apply to your new level of Cover.
2. You cannot change your level of Cover in a Policy Period if a claim has been paid. To change your level of Cover after a claim has been paid, you will need to wait until your next renewal.
3. If you pay your premium via fortnightly or monthly instalments, there is no premium refund (including any remaining days of a current instalment period) when you change your level of Cover.

Outside of any applicable waiting period, if your Pet has a Temporary Condition that is considered to be a pre-existing condition (because it occurred or existed prior to the Commencement Date of the First Policy Period, or during any applicable Waiting Period, but that Condition has not existed, occurred or shown noticeable signs, symptoms or an abnormality in the 18-month period immediately prior to your claim Treatment date), it will no longer be excluded from Cover as a Pre-existing Condition.</i>

	<i>Chronic Conditions and several other specified Conditions cannot fall within this category.</i> <i>Hereditary Conditions and congenital Conditions will also not be considered a Pre-existing Condition if they have not shown noticeable signs, symptoms or an abnormality at any time before the Commencement Date of the First Policy Period or during any applicable Waiting Period.</i> Please note, the examples set out below the heading Examples of Pre-existing Condition claims remain unchanged.

Refer to the 'Temporary Condition' definition in the 'Definitions' section for more information.</i>
Frequently Asked Questions	The FAQ 'Will I have lifelong cover for my Pet?' has been deleted and replaced with the following: Will I have lifelong cover for my Pet? <i>Once your Pet is accepted and as long as we continue to provide this product and you continue to hold the policy without a break in cover and renew your policy, your Pet will be covered for eligible Vet Expenses for life (with cover subject to the applicable terms and conditions of the policy for each renewal period). If we receive your request to cancel your policy within the 30-day period after the policy Commencement Date (or any renewal date), we will give you a refund of any monies received since the policy Commencement Date (or renewal date) less any costs incurred by us, which we are unable to recover and any taxes or duties that we are unable to refund.</i> <i>If you have made a claim during the cooling off period and wish to cancel during the cooling off period, then any refund will be in accordance with provisions set out in the 'Cancellations' section. After the cooling off period ends you continue to be able to cancel your policy and you have rights upon cancellation in certain circumstances under the policy. These rights are set out in 'Section 6 – Cancellations'.</i>
