Introduction

This booklet contains two parts

Part A is the Product Disclosure Statement (PDS) including the Policy Terms and Conditions

The PDS is designed to help you understand what you need to know about this policy so that you can decide whether to proceed with this cover. The PDS has been prepared by Hollard, who is the insurer and product issuer. Hollard has sole responsibility for the PDS, for each policy issued, and for the assessment and payment of claims. The PDS describes the main features and benefits of this policy.

BS Media and PetSure are involved in the promotion, arrangement and administration of this policy, but:

- are not responsible for any part of the PDS or Policy Terms and Conditions;
- do not guarantee this policy; and
- are not involved, nor liable, in any manner in respect of the payment of benefits under this policy.

Any advice contained in the PDS is general advice only and does not take into account your individual objectives, financial situation or needs. Before acting on this general advice, you should consider the appropriateness of the general advice having regard to your individual objectives, financial situation and needs. You should carefully read the PDS and the Policy Terms and Conditions in Part A of this booklet before making any decision about whether to purchase this policy. Note that you have a cooling off period and certain cancellation rights.

BS Media and PetSure have given their written consent to all statements by or about them in the form and context in which they are included and have not withdrawn this consent as at the date of the PDS. The statements appear throughout the PDS.

The Policy Terms and Conditions of this policy have been written in plain language to help you understand the insurance cover offered as well as an insured's rights and obligations under this policy.

Part B is the Financial Services Guide (FSG) which contains important information about the services provided by BS Media and other persons or organisations listed in the FSG in relation to this policy, how they are remunerated in relation to the services offered, and their internal and external dispute resolution systems. It is designed to assist you in deciding whether to use any of their services. BS Media and other persons or organisations providing the services are responsible for information relevant to them in the FSG.

PART A – Product Disclosure Statement including the Policy Terms and Conditions

Product Disclosure Statement

Hollard is solely responsible for the PDS and is the insurer under each policy issued. PetSure has been given a binding authority by Hollard which authorises it to enter into, vary and cancel this policy on behalf of Hollard as if it were Hollard, subject to the limits of authority agreed with Hollard. PetSure does not act for you. BS Media is authorised to promote this policy but does not issue and is not involved in the assessment or payment of claims. BS Media is not liable for the payment of benefits under this policy.

Where words or expressions used in the Policy Terms and Conditions have a special meaning, we have used the same terms in the PDS. They normally begin with capital letters and their meaning is explained in Section 1 – Definitions in the Policy Terms and Condition in the PDS, references to:

- **we, our, us, insurer** and **Hollard**, means The Hollard Insurance Company Pty Ltd.
- **you, your** means the applicant for this policy and, if a policy is issued, the insured.

This PDS contains important information about:

- significant features and benefits of this policy;
- your duty of disclosure when applying for this policy;
- our internal and external dispute resolution procedures;
- your cooling off rights when purchasing this policy.

Please note that, while this PDS provides a summary of the significant features and benefits of this policy, you must also read the Policy Terms and Conditions in Part A of this booklet to understand the insurance provided (including what terms, conditions, exclusions and limitations may apply to your Cover). Sometimes we need to change the wording of the policy before it is issued to you because your insurance varies depending on a number of factors. We do this by adding what is called an endorsement. You will find any endorsements that apply to your

policy printed on your Certificate of Insurance.

Information in this PDS may need to be updated from time to time. You can obtain a paper copy of any updated information without charge by calling us on the contact details provided in this document. If the update is to correct a misleading or deceptive statement or an omission that is materially adverse from the point of view of a reasonable person deciding whether to acquire the policy, we will provide you with a new PDS or a supplementary PDS.

Protection for your pets

Subject to the terms, conditions, exclusions and limitations that apply to your Cover (as set out in this document), this policy provides:

- financial protection for Vet Expenses in respect of the insured Pet resulting from sudden and unexpected Accidental Injury or Illness (depending on the level of cover selected by you) occurring or first showing clinical signs within the Policy Period and after any applicable waiting period; and
- cover for eligible Vet Expenses (as well as allowing you to use the services of any Vet in Australia and, in some cases, overseas).

'Vet Expenses' are defined in Section 1 – Definitions in the Policy Terms and Conditions and may be subject to stated limits, excesses, and applicable waiting periods.

Understand the limits of the insurance

This policy transfers many of the risks pet owners face for Vet Expenses from the insured to the insurer. However this policy does not cover every circumstance or expense and we have certain terms, conditions, exclusions and limitations that help keep premiums low. These include, but are not limited to, conditions such as pregnancy, elective procedures, pet foods/diets, grooming and medical conditions that are present or that you were aware (or that a reasonable person in your circumstances should have been aware) of prior to the policy Commencement Date or that arise during the applicable Waiting Period. Full details are specified in the Policy Terms and Conditions.

Your obligation to us (Duty of Disclosure)

Before you enter into a contract of general insurance with us, you have a duty, under the Insurance Contracts Act 1984, to disclose to us every matter that you know, or could reasonably be expected to know, is relevant to our decision whether to accept the risk of the insurance and, if so, on what terms. This includes but is not limited to matters relating to the health of your Pet.

You have the same duty to disclose those matters to us before you renew, extend, vary or reinstate a contract of general insurance. Your duty however does not require disclosure of a matter:

- that diminishes the risk to be undertaken by us;
- that is of common knowledge;
- that we know or, in the ordinary course of our business, ought to know; or
- as to which compliance with your duty is waived by us.

The duty applies until your policy is entered into and again, where relevant, when it is renewed, extended, varied or reinstated. If anything changes between the time you provide answers or make disclosure and the time the policy is entered into or renewed, extended, varied or reinstated (whichever is relevant), you need to tell us.

If you fail to comply with your Duty of Disclosure or make a misrepresentation, we may be entitled to reduce our liability under the contract of general insurance in respect of a claim (this may be to nil) and/or may cancel the contract.

If your non-disclosure or misrepresentation is fraudulent, we may also have the option of avoiding the contract from its beginning.

How much does it cost?

Your premium is calculated when your policy begins and at each policy anniversary (and if you vary or extend cover). The premium is calculated based on a number of factors, including, the risks associated with the insured Pet and is printed on the relevant Certificate of Insurance. In calculating your premium, we may consider the Cover you have chosen, the Excess and/or Co-payment options you have chosen, where you and your Pet permanently live, the species, breed and age of your Pet. The amount you pay includes allowances for government fees, taxes and charges (including stamp duty and GST) and may include administration fees, which, if charged, will be listed on the Certificate of Insurance.

14 day cooling off period

You have a full 14 days from the policy Commencement Date (or renewal date) to make sure you are happy with every aspect of your petinsurance.com.au policy. This is known as the “cooling off” period. During this time you may cancel the policy simply by writing to us. If we receive your written request to cancel your policy within the 14 day period after the policy Commencement Date (or renewal date) we will give you a refund of any monies received less any reasonable administrative and other transaction costs incurred by us which we are unable to recover and any taxes or duties that we are unable to refund.

You cannot return your policy if you have exercised any of your rights or powers under the policy (e.g. you have made a claim) within the 14 day cooling off period. After the cooling off period ends you continue to be able to cancel your policy and you have rights upon cancellation in certain circumstances under the policy. These rights are set out in Section 8 of the Policy Terms and Conditions

Financial Claims Scheme and Compensation Arrangements

We are an insurance company authorised under the Insurance Act

1973 (Cth) (Insurance Act) to carry on general insurance business in Australia by the Australian Prudential Regulation Authority (APRA) and are subject to the prudential requirements of the Insurance Act.

The Insurance Act contains standards designed to ensure that, under all reasonable circumstances, financial promises made by us are met within a stable, efficient and competitive financial system.

Because of this:

- the protection provided under the Financial Claims Scheme legislation applies in relation to us and your petinsurance.com.au policy. If we were to fail and were unable to meet our obligations under your policy, a person entitled to claim under insurance cover under the policy may be entitled to payment under the Financial Claims Scheme (access to the Scheme is subject to eligibility criteria). Information about the Financial Claims Scheme can be obtained from the APRA website at <http://www.apra.gov.au> and the APRA hotline on 1300 13 10 60; and
- we are exempted by the Corporations Act 2001 (Cth) from the requirement to meet the compensation arrangements Australian Financial Services licensees must have in place to compensate retail clients for loss or damage suffered because of breaches by the licensee or its representatives of Chapter 7 of that Act. We have compensation arrangements in place that are in accordance with the Insurance Act.

Authorised for issue

This PDS including the Policy Terms and Conditions was prepared by Hollard. BS Media and PetSure have given their consent to all statements by or about them in the form and context in which they are included and have not withdrawn as at the date of the PDS. These statements appear throughout the PDS.

Policy Terms and Conditions

The petinsurance.com.au policy

In these Policy Terms and Conditions, references to:

- **we, our, us, insurer** and **Hollard**, means The Hollard Insurance Company Pty Ltd.
- **you and your** means the applicant for this policy and, if a policy is issued, the insured shown on your Certificate of Insurance or a person the insured has authorised to act on their behalf.

Upon acceptance of your application for cover, you will be issued a Certificate of Insurance. A new Certificate of Insurance will be issued:

- on renewal of your policy each year, or
- if you change your Cover.

Your policy will continue for a period of twelve (12) months from the policy Commencement Date unless cancelled, either by you or by us, under the cooling off period or cancellation provisions

of the policy (explained in Section 8 of the Policy Terms and Conditions). We also have certain cancellation rights at law. For your convenience and to ensure continuity of cover for your pet, we will automatically renew your policy each year (refer to “Automatic renewal of your policy” on page 10).

Your policy comprises the Certificate of Insurance, the Policy Terms and Conditions (set out in this Part A) and any endorsements issued by us from time to time.

The basis on which we insure you

Subject to the terms and conditions of the policy, we will pay the Vet Expenses incurred by you as a result of a Treatment to the insured Pet for covered Accidental Injury or Illness Conditions up to the specified Benefit Limit (less any Co-payment and Excess which may apply) provided that:

- you have paid or agreed to pay the premium to us for the Cover provided;
- the Accidental Injury or Illness Conditions (whichever is applicable) arose during the Policy Period; and
- the Treatment occurred during the Policy Period.

Where we agree to provide Cover under the policy it is in reliance upon the representations made by you during your application for Cover.

Cover under the policy will depend on the level of Cover you have chosen. Your Certificate of Insurance will state whether your Pet is covered for Accidental Injury only, or for both Accidental Injury and Illness. Additional and optional benefits may also be provided if specified in your Certificate of Insurance.

Automatic renewal of your policy

We will advise you regarding renewal of your policy prior to the expiration of the current policy. We reserve our rights to change the terms and conditions of the policy upon renewal to reflect the risk associated with insuring your Pet based on factors such as (but not limited to) your Pet’s age, location and medical history.

Unless otherwise notified, your Cover will be automatically renewed on the terms contained in the renewal offer. We require you to notify us in writing should you decide not to renew your policy.

Delivery of your policy documents

If you have agreed to receive your policy documents and notices electronically (via email), all notifications successfully delivered to the last verified email address will be deemed to have been received by you on the transmission date recorded in our systems. If at law we are not obligated to provide printed versions of material delivered electronically, we may nevertheless choose to deliver certain notifications by mail in printed form. All such notifications will be deemed to have been successfully delivered once mailed by us to you at the last notified postal address.

Some important things you should know

Benefits do not accumulate across Policy Periods. The policy benefits will expire at the end of each Policy Period.

Your rights and duties under the policy cannot be transferred without our prior written consent.

It is a condition of cover that your Pet must regularly reside with you and be under your regular care and supervision at the physical address provided to us.

Section 1 – Definitions

When interpreting these Policy Terms and Conditions:

- references to the singular include the plural and vice versa, and to the masculine include the feminine and vice versa
- monetary references are to Australian dollars.

Words that are capitalised have the special meaning explained below:

Accidental Injury means physical harm or injury arising from an accident. For the purposes of this policy, an accident is:

- a single specific, unpredictable, unusual and unintended external event which occurs at a particular time and place, with no apparent and deliberate cause but with marked effects; and
- is independent of any other cause including any Pre-existing Condition.

Conditions covered by the Accidental Injury Cover Section of the policy are specified in Section 2.

Accidental Injury Cover (also known as Basic Plan) means the insurance cover explained in Section 2 of these Policy Terms and Conditions and the applicable Additional Benefits explained in Section 4.

Accidental Injury Cover and Illness Cover (also known as Plus Plan) means the combined insurance cover explained in Sections 2 and 3 of these Policy Terms and Conditions and the applicable Additional Benefits explained in Section 4 and, if selected, the Optional Benefit explained in Section 5.

Accidental Injury Cover and Illness Cover (also known as Premium Plan) means the combined insurance cover explained in Sections 2 and 3 of these Policy Terms and Conditions and the applicable Additional Benefits explained in Section 4 and, if selected, the Optional Benefit explained in Section 5.

Benefit Limit means the total amount payable under your policy for each Cover selected. This is the annual maximum amount, inclusive of any applicable sub-limits that we will pay within the Policy Period as shown on your Certificate of Insurance.

Certificate of Insurance means the relevant Certificate of Insurance outlining the key details of the contract of insurance between you and us, and identifying the Policy Number,

Commencement Date, Cover End Date, Insured Pet, Schedule of Benefits including Benefit Limits.

Chronic Condition Limit means the maximum amount we will pay over the lifetime of your Pet for a Chronic Condition or a Recurring Condition suffered by your Pet. This amount is restricted to the annual Benefit Limit that applied in the Policy Period when the Condition first manifested. Once this maximum amount has been paid, we will not pay for any further Treatment of that or any related Condition during the remainder of the Policy Period or any future Policy Period.

Co-payment means the stated percentage of each eligible claim for which you are responsible to pay in addition to any Excess that may also be applicable to your policy. If a Co-payment or Excess is applicable to your policy, it will be shown on your Certificate of Insurance. For example: for a 20% Co-payment with no Excess – we will be responsible for 80% of the eligible Vet Expenses, and you will be responsible for the 20% Co-payment portion.

Commencement Date means 23h59 on the date when Cover first starts as shown on your Certificate of Insurance.

Condition means any Accidental Injury, or any manifestation of an Illness (including behavioural problems) having the same clinical symptoms, diagnostic classification or resulting from the same disease process regardless of the number of incidents or areas of your Pet's body affected (also see Bilateral Condition). For example, all types and occurrences of cancer will be classified as one Condition regardless of their type or where they occur in your Pet's body.

- **Bilateral Condition** means any Condition affecting body parts of which the Pet has two, one each side of the body (e.g. ears, eyes, knees, cruciate ligaments). For the purposes of your Cover under the policy when applying a Benefit Limit or exclusion, a Condition arising in one such body part will be regarded as a Bilateral Condition and will therefore be considered as a single Condition. For example: If your Pet has been diagnosed prior to being insured under the policy (or prior to the end of the Waiting Period (if applicable)), with a Condition on one side of the body, future occurrences of the same Condition arising on the other side of the body will not be covered. In other words, if a dog has been diagnosed with a cruciate tear in his left leg before the end of the Waiting Period, a subsequent cruciate tear in his right leg will be excluded as a Pre-existing Condition.
- **Chronic Condition** means a Condition which has one of the following characteristics;
 - a) continues indefinitely and has no known cure;
 - b) is a Recurring Condition;
 - c) is permanent; or
 - d) needs long-term (greater than 3 months) monitoring, consultations, checkups, examinations or tests.
- **Recurring Condition** means a Condition that is curable but may

relapse repeatedly with intervals of remission in between.

• **Skin Condition** means any diagnosed Condition regardless of cause or origin presenting in or affecting the skin (as an organ) in any way whatsoever. For the purposes of the policy Skin Conditions are:

- deemed to include skin lumps;
- regarded as one Condition.

Cover means:

- Accidental Injury Cover, or
- Accidental Injury and Illness Cover, or
- Accidental Injury and Illness Cover plus Routine Care.

The Cover applying to your Pet is shown on your Certificate of Insurance. The Cover includes the Additional Benefits (explained in Section 4).

Elective Treatment means a Treatment or surgery that is beneficial to your Pet but is not essential for your Pet's survival or does not form part of the Treatment for a Condition.

End Date means 23h59 on the date upon which your policy terminates and benefits cease. The End Date is shown on your Certificate of Insurance. If the policy is cancelled, then the date of cancellation will be deemed to be the End Date.

Excess (if applicable) means the first amount of a claim we do not pay and which you are required to pay yourself as shown on your Certificate of Insurance. The Excess is deducted from your benefit for each Condition treated during the Policy Period that is not related to any other Condition treated during the same Policy Period.

Exchange Rate means the Westpac Bank spot buy rate for notes or such other exchange rate as determined by us from time to time and notified to you.

GST means the Australian Goods and Services Tax at the officially published tax rate.

Illness means a sickness or disease diagnosed by a Vet.

Pet means a dog or cat covered under the policy and named on your Certificate of Insurance.

Policy Period means the time during which we provide Cover as specified on your Certificate of Insurance. The first Policy Period starts on the Commencement Date and ends on the End Date.

Pre-existing Condition means:

- any Condition(s) or symptoms or signs of that Condition occurring or existing in any form prior to the Commencement Date;
- a latent infectious Condition that manifests itself within a known incubation period following the Commencement Date indicating

clear evidence that the Condition had existed prior to the Commencement Date;

- any Illness or symptoms or signs of that Illness occurring or existing in any form during the Waiting Period; or
- any cruciate ligament Condition occurring or existing in any form during the Waiting Period.

A Condition may be considered Pre-existing whether or not it:

- was specifically diagnosed by a Vet;
- was treated by a Vet;
- is in remission at the time of your insurance application;
- is seasonal in nature even if in remission at the time of application; or
- is currently or previously being controlled by medication(s).

Please refer to Section 6 for full details of Pre-existing Condition Exclusions.

Routine Care means stated benefits provided for certain listed preventative healthcare treatments for your Pet. The list of allowable treatments and the benefit amounts applicable to these are shown on your Certificate of Insurance.

Treatment means reasonable and customary examinations, consultations, hospitalisation, surgery, x-rays, medication, diagnostic tests, nursing and other care and procedures provided by a Vet to relieve or cure a disease, Illness or Accidental Injury during the Policy Period.

Vet means any veterinarian, veterinary specialist, animal hospital, animal clinic, or animal surgery, other than you:

- licensed in Australia; and
- currently registered in Australia.

Vet Expenses means the reasonable, customary and essential expenses incurred and paid in respect of Treatment provided by a Vet during the Policy Period.

Waiting Period means a period starting from the Commencement Date of the first Policy Period during which a Condition that occurs or shows symptoms or signs will be excluded from Cover unless otherwise stated on your Certificate of Insurance.

The Waiting Period for:

- Conditions covered by the Illness Cover (Section 3) and, if applicable, the Paralysis Tick Benefit Section (Section 4.3) of the policy is 30 days, and
- cruciate ligament Conditions and any Conditions arising therefrom irrespective of cause or origin is 6 months, unless:
 - we receive a completed and signed 'Cruciate Ligament Exam Form' from your Vet within 14 days of the cruciate examination date certifying that your Pet has been examined, at your expense, on or after the policy Commencement Date, and
 - you receive written notification from us confirming our agreement to waive this Waiting Period following our assessment of the information provided on the 'Cruciate

Ligament Exam Form'

Any waiver is at our discretion and we are not required to provide justification for declining a request under this provision.

You may apply to us to review a Pre-existing Condition exclusion provided that your Vet certifies and provides (at your expense) veterinary records verifying that your Pet has been free of clinical signs, symptoms or recurrence of the Pre-existing Condition (or any Condition(s) arising directly therefrom) up to the date of receipt of your Review Application Form, which shall be no less than a period of 18 months from the policy Commencement Date. Your request for this review must be made in writing after the completion of the 18 month period using our prescribed Review Application Form. Pre-existing Condition exclusion(s) shall not be deemed to have been lifted unless agreed to by us in writing. Agreement to lift all or part of the exclusions is at our sole discretion and we are not obligated to provide reasons for declining a request.

B. General Exclusions

Unless stated on your Certificate of Insurance, we will not pay any Vet Expenses or other costs incurred by you which are attributable to or result from:

1. a Condition specifically excluded on your Certificate of Insurance;
2. Treatment for Conditions excluded by the policy and/or due to complications and/or adverse reactions arising from any Policy Exclusion;
3. a Condition where the diagnosis is inconclusive, but where the Treatment protocol is similar to a Treatment protocol typically applied to an Accidental Injury or Illness which is not covered (e.g. Treatment for coughing where kennel cough is suspected but not diagnosed or excluded as a diagnosis);
4. a malicious act, deliberate injury or gross negligence caused by you or anyone living with you;
5. your failure to take all reasonable precautions to protect your Pet from situations that may result in injury or illness or from aggravating a treated Condition;

28. any consequential loss, economic or otherwise, loss of enjoyment or other such loss not mentioned in the policy.

Section 7 – Premiums

Cover under the policy is provided on the basis that you have paid or agreed to pay us the premium for the Cover provided. The amount you pay is shown on your Certificate of Insurance and includes all premium, administration fees, commissions and any applicable government taxes, fees and/or charges.

7.1 Paying your premium

1. The premium is payable when you take out a new policy and when you renew your policy.
2. You may choose to pay the premium:
 - annually by credit card or direct debit, or
 - monthly or fortnightly by instalment by credit card or direct debit.
3. When premiums are paid monthly or fortnightly by instalment, claims are paid on the basis that you agree to pay the remaining premiums for that Policy Period.

7.2 Paying on the due date

1. Your policy will not operate until you have paid your premium (or your first instalment if you have elected to pay by instalments).
2. Your premium must be paid on or before its due date.
3. If you don't pay an instalment premium by the due date then:
 - if the unpaid premium remains in arrears for more than thirty (30) days we may cancel your policy without notification, and
 - if at least one instalment has remained unpaid for a period of at least fourteen (14) days then we may cancel your policy and refuse to pay your claim/s.
4. If we accept and pay a claim under the policy, we may deduct the balance of the outstanding annual premium from the claim payment.

Section 8 – Cancellation

8.1 Cancellation notification

You may cancel the policy at any time by giving us notice in writing of your intention to do so. The cancellation will be effective at the time the notice of cancellation is received by us.

We will only accept notices of cancellation given in writing and signed by you. We will not accept cancellation requests by telephone or email unless agreed to by us.

8.2 Cancellation where no claims are made

If you cancel the policy without having made a claim, and you have paid an annual premium in full, we will refund any premium you have paid less an amount that covers the period for which your Pet was insured and any statutory fees. There is no premium refund available if you have been paying your premium by instalments.

8.3 Cancellation following a claim

If you cancel the policy for whatever reason (including the death of your Pet) after having made a claim, no premium refunds are payable and the remaining premium for that Policy Period must be paid. All or a portion of the outstanding annual premium may be deducted from any claim payment owed, or alternatively, charged to your nominated bank/credit card account. This clause survives termination of this contract.

8.4 Cancellation by us

We may cancel the policy or any Section thereof as permitted by the relevant law by issuing a notice thirty (30) days in advance in writing in accordance with Section 59 of the Insurance Contracts Act.

Section 9 – Claims

9.1 What you need to do

1. All claims must be completed carefully and honestly on a petinsurance.com.au claim form, and then submitted by mail to us. Claim forms are available on request by calling 1300 855 663 or can be downloaded from www.petinsurance.com.au
2. If submitting a claim for the first time, please include a full veterinary history from the attending Vet and any previous Vets who have treated your Pet. Failure to include this may result in delays in processing your claim.
3. All claims should be submitted and received within ninety (90) days of the relevant Treatment being provided. Claims not received within this period will incur a late submission penalty fee of \$20 in addition to any other Condition Excess and/or Co-payment applicable to your policy.
4. The attending Vet must complete the section on the claim form where designated.
5. Both you and the attending Vet must sign the claim form.
6. Please attach the original itemised invoices and payment receipts to the completed claim form. All claim documentation must be originals. Incomplete claim forms will be returned to you and this may result in delays in processing your claim.
7. You agree that your Vet (current or previous) is authorised to release information and/or records to us about your Pet.
8. You agree that we are authorised to discuss with the Vet, details relating to your claim or Treatment provided to your Pet in relation to a claim made under the policy.
9. You agree that we have the right to decline a claim where you or your Vet refuse or are unable to provide information reasonably requested by us to process your claim.

9.2 What we will do

1. We will deal directly with you regarding settlement of the claim.
2. We will pay you, not the Vet.
3. If the Vet Expenses:
 - a. are considered by us to be excessive or unreasonable, or
 - b. are higher than the Vet Expenses normally charged by a general or referral practice, or
 - c. in our opinion may not be required, or

- d. are regarded to be excessive when compared with the Treatment normally recommended to treat the same Condition by general or referral practices, then claim payments will be adjusted and paid based on the reasonable and customary Treatment or fees typically charged for the Treatment of that Condition. We reserve the right to request a second opinion from a Vet that we choose. If the Vet we choose does not agree that the Treatment provided or fees charged were reasonable, we may decide to pay only the cost of the Treatment that was necessary and/or reasonable to treat the Condition (as advised by the Vet from whom we have requested the second opinion).
4. We will send you a letter/remittance advice regarding the settlement of your claim that will provide details of how your claim has been dealt with.
 5. If you submit a fraudulent claim, or solicit your Vet to behave in a fraudulent manner regarding a claim, then the claim may be denied and we may cancel your policy altogether. We may also be entitled to reclaim any payments already made to you in respect of such claims.
 6. When we settle your claim, we reserve the right to deduct from the benefit amount any amount due to us.
 7. In the event that we pay a benefit contrary to the policy terms and conditions for whatever reason, this will not constitute a waiver of our rights to apply the policy terms and conditions retrospectively as they stand to any paid claims or to any future claims for that or any related Condition. We also reserve our right to recover from you any benefit amount received by you as a result of such error.

9.3 Example of how we settle your claim

The following calculations provide examples of how claims will be settled where Cover is provided (these examples are indicative of the manner of calculation only):

- a) Illustrative calculation based on a 20% Co-payment option (all amounts include GST)

Vet Expenses claimed	\$2,000
Less: 20% Co-payment	(\$400)
Benefit payable to you	\$1,600

- b) Illustrative calculation based on an 20% Co-payment with a \$100 Excess option (all amounts include GST)

Vet Expenses claimed	\$2,000
Less: 20% Co-payment	(\$400)
Less \$100 Excess (see definition)	(\$100)
Benefit payable to you	\$1,500

9.4 Our rights of recovery

If we have the right to recover any amount payable under the policy in relation to a claim from any other person, you must cooperate with us in any action we may take.

9.5 Other insurance arrangements

If we accept your claim and there is any other similar insurance under which you are entitled to claim, you are required to advise us at the time you submit your claim if you hold such other insurance.

Section 10 – Direct Debit Request Summary

This summary describes how the direct debit request system works. Upon issue of your policy, you will also receive a full copy of the Direct Debit Request Service Agreement – Terms and Conditions. You should read the Agreement carefully as it explains your rights and obligations relating to your ongoing direct debits.

When you provide us with your bank details, you are instructing us to directly debit the relevant premiums calculated by us from your nominated account. Your authority will be kept confidential at all times.

If your premium cannot be paid (for example there is not enough money in your nominated account) your bank may dishonour that payment, and you may be charged a dishonour fee by your bank. Neither Hollard, PetSure nor BS Media will be responsible for dishonour fees charged by your bank or financial institution. If your direct debit is dishonoured we will automatically retry for the outstanding amount within 14 days.

If you have concerns about the operation of the direct debit authority or you subsequently need to change any aspects of the authority, please notify us.

Section 11 – General

11.1 Policy Upgrades/Downgrades

1. If you opt to transfer your Pet to a level of Cover with higher or additional benefits (including but not limited to a lower Co-payment or Excess) then the additional or higher benefits will not apply to claims for Conditions first noted, diagnosed, or treated prior to the policy Upgrade. In such cases, benefits will be restricted to the lesser of:
 - a. the maximum benefits payable under the current level of Cover;
 - b. the maximum benefits payable under the policy that applied during the policy Period in which such Condition(s) was/were first noted, diagnosed, or treated.

For the sake of clarity, maximum benefits referenced in this Section include taking the following factors into consideration:

- the policy Benefit Limit,
- applicable sub-limits,
- applicable Co-payments & Excesses,
- Chronic Condition or lifetime benefit limits, and any applicable policy exclusions.

2. If you opt to transfer your Pet to a level of Cover with additional

benefits, for example Basic Plan to the Plus Plan, then the applicable 30 day waiting period for the Illness Cover will apply.
