INTRODUCTION

This policy booklet contains three (3) parts, your:

- Product Disclosure Statement;
- Policy Terms and Conditions; and
- Financial Services Guide.

Product Disclosure Statement (PDS)

The PDS is designed to help you understand what you need to know about Petinsurance.com.au so that you can decide whether to proceed with this cover. The PDS has been prepared by Hollard, who is the insurer and product issuer. Hollard has sole responsibility for the PDS, for each Petinsurance.com.au policy issued, and for the assessment and payment of claims. The PDS describes the main features and benefits of the Petinsurance.com.au policy. Any information contained in the PDS is general information only and does not take into account your individual objectives, financial situation or needs. Before acting on this general information, you should consider the appropriateness of the general information having regard to your individual objectives, financial situation and needs.

Policy Terms and Conditions

The Policy Terms and Conditions of Petinsurance.com.au have been written in plain language to help you understand the insurance cover offered, as well as an insured's rights and obligations under a Petinsurance.com.au policy. You should carefully read the PDS and the Policy Terms and Conditions in this booklet before making any decision about whether to purchase Petinsurance.com.au. Note that you have a cooling off period and certain cancellation rights.

Financial Services Guide (FSG)

The FSG contains important information about the services provided by Pet Insurance Pty Ltd and other persons or organisations listed in the FSG in relation to Petinsurance.com.au, how they are remunerated in relation to the services offered, and their internal and external dispute resolution procedures. It is designed to assist you in deciding whether to use any of their services. Pet Insurance Pty Ltd and other persons or organisations providing the services are responsible for information relevant to them in the FSG.

Where words or expressions used in the PDS and Policy Terms and Conditions have a special meaning, we have used the same terms in both sections. Refer to 'Section 1 – Definitions' on page 18 for a full explanation.

In addition, references to:

- We, our, us, insurer and Hollard, mean The Hollard Insurance Company Pty Ltd.
- You and your mean the applicant for a Petinsurance.com.au policy and, if a policy is issued, the insured.

FREQUENTLY ASKED QUESTIONS*

Q. What Cover types are offered by Petinsurance.com.au?

A. Petinsurance.com.au offers different levels of Cover that you can choose from. Details of these are set out in 'Section 2 – Your Cover' and we have included a brief outline of our Cover below:

- **Dog Accident Cover:** Cover for common Accidental Injuries including (but not limited to) motor vehicle incidents, ingesting a foreign object, poisoning, Treatment of paralysis tick and snake bite toxicity. See 'Section 2.1 Dog Accident Cover' for more information about specific Conditions covered under this plan.
- **Dog Accident and Illness Cover:** A broad plan that covers eligible Vet Expenses for your Pet suffering any Illness or Accidental Injury, as long as it isn't a General Exclusion. See 'Section 2.2 Dog Accident and Illness Cover' for more information about Conditions covered under this plan.

Petinsurance.com.au also offers cover for cats and puppies. Go to Petinsurance.com.au for further information about these plans.

Q. What percentage of my Vet Expenses am I covered for?

A. We will reimburse you the Benefit Percentage selected by you which will be shown on your current Certificate of Insurance.

For example, for an 80% Benefit Percentage we will reimburse you up to 80% of the eligible Vet Expenses (Benefit Limits and Sub-limits may also apply).

Q. What Waiting Periods apply?

A. Some Conditions are covered from your policy Commencement Date while others have a thirty (30) day or a six (6) month period.

The Waiting Periods are specified in 'Section 2 - Your Cover' on page 22 of this document.

Q. What is a Pre-existing Condition?

A. If any symptoms or signs of a Condition occur or the Condition exists in any form prior to taking out your policy or during the applicable Waiting Period, then it will be considered to be a Pre-existing Condition and it will not be covered (refer to the 'Pre-existing Condition' and 'Bilateral Condition' definitions on pages 18 and 20). For example, if your Pet shows first signs of cancer prior to taking out your policy or within the Waiting Period, then cancer will be considered as a Pre-existing Condition and all expenses incurred for cancer will not be covered.

Q. What is an example of a Bilateral Condition?

A. An example would be, if your Pet displays clinical signs of a cruciate ligament Condition in the left leg prior to taking out your policy or during the Waiting Period (a Pre-existing Condition), Vet Expenses for a subsequent cruciate ligament Condition in the right leg will not be covered. (Refer to the 'Bilateral Condition' definition on page 18).

Q. Will I have lifelong Cover for my Pet?

- A.** Once your Pet is accepted and as long as you continue to renew your policy, your Pet will be covered for eligible Vet Expenses for life, with Cover subject to the applicable terms and conditions of the policy for each renewal period. You can apply for Dog Accident and Illness Cover as long as your Pet is over six (6) months old and younger than nine (9) years. There is no upper age limit to qualify for Dog Accident Cover.

Q. What exclusions apply?

- A.** As with most insurance products, there are certain situations where you will not be covered. There are some general exclusions such as Conditions which occurred prior to commencement of your policy or during any applicable Waiting Period, dental procedures, fractured teeth, routine or preventative Treatments, some elective procedures and breeding or obstetrics. There may also be specific exclusions which may apply to specific levels of Cover. It is important that you read all of your policy documentation for full details (including 'Section 2 Your Cover' on page 22, your Certificate of Insurance and 'Section 5 General Exclusions' on page 30).

Q. What kind of Vet Consultations can I claim under my policy?

- A.** You can claim for Consultations in relation to Conditions covered by your policy. For example, under Dog Accident Cover you can claim for Consultations in relation to stated Accidental Injuries (See 'Section 2 – Your Cover' on page 22). If you've selected Dog Accident and Illness Cover you can claim for Consultation fees in relation to any eligible Accidental Injury or Illness Condition.

Please note that routine health checks and vaccination visits are not coverable under your policy, unless you have selected the Routine Care option, as shown on your Certificate of Insurance.

A Benefit Limit applies to the Consultation fees that your Vet charges. This limit is stated on your Certificate of Insurance. When claiming for an eligible Condition, this limit only relates to the Consultation fee, and not any of the Treatments or medications your Pet may receive during the visit.

Q. Are x-rays, blood tests and other diagnostic tests covered?

- A.** Yes. Similar to Consultation fees, you can claim for diagnostic expenses in relation to eligible Conditions covered by your policy. This means that elective or routine tests are not covered, nor are any tests related to a Pre-existing Condition.

*Information about insurance coverage in this section is a summary only. You should read the Combined PDS, Policy Terms & Conditions and FSG for full details of Terms and Conditions, Waiting Periods and exclusions.

PRODUCT DISCLOSURE STATEMENT

Hollard is solely responsible for the PDS and is the insurer under each Petinsurance.com.au policy issued. PetSure has been given a binding authority by Hollard which authorises it to enter into, vary and cancel Petinsurance.com.au policies on behalf of Hollard as if it were Hollard, subject to the limits of authority agreed with Hollard. PetSure does not act for you. Pet Insurance Pty Ltd is authorised to distribute and promote Petinsurance.com.au but does not issue policies and is not involved in the assessment or payment of claims.

This PDS contains important information about:

- significant features and benefits of Petinsurance.com.au;
- your Duty of Disclosure when applying for a Petinsurance.com.au policy;
- our internal and external dispute resolution procedures; and
- your cooling off rights when purchasing a Petinsurance.com.au policy.

Please note that, while this PDS provides a summary of the significant features and benefits of Petinsurance.com.au, you must also read the Policy Terms and Conditions in this booklet to understand the insurance provided (including what terms, conditions, exclusions and limitations may apply to your Cover).

Sometimes we need to change the wording of the policy before it is issued to you because your insurance varies depending on a number of factors. We do this by adding what is called an endorsement. You will find any endorsements that apply to your policy printed on your Certificate of Insurance.

We may need to update this PDS from time to time if certain changes occur and where required by law. If the change results in a material change from the PDS you hold, we will provide you with a new PDS or supplementary PDS.

Protection for your Pets

Subject to the terms, conditions, exclusions and limitations that apply to your Cover (as set out in this document), the Petinsurance.com.au policy provides:

- financial protection for Vet Expenses in respect of the insured Pet resulting from sudden and unexpected Accidental Injury or Illness (depending on the level of Cover selected by you) occurring or first showing clinical signs within the Policy Period and after any applicable Waiting Period; and
- Cover for eligible Vet Expenses (as well as allowing you to use the services of any Vet in Australia and, in some cases, overseas).

'Vet Expenses' are defined in 'Section 1 – Definitions' on page 21 and may be subject to stated limits and applicable Waiting Periods.

Understanding the limits of the insurance

Petinsurance.com.au transfers many of the financial risks Pet owners face for Vet Expenses from the insured to the insurer. However, Petinsurance.com.au does not cover every circumstance or expense and we have certain terms, conditions, exclusions and limitations that help keep premiums low. These include, but are not limited to, Conditions such as pregnancy, elective procedures, Pet foods/diets, grooming and medical Conditions that are present or that you were aware of (or that a reasonable person in your circumstances should have been aware of) prior to the policy Commencement Date or that arise during the applicable Waiting Period. Maximum monetary limits also apply to the benefits payable in any one Policy Period. These are called the Benefit Limit and can vary depending on the relevant cover. Sub-limits for particular Conditions may also apply.

Full details are specified in the Policy Terms and Conditions (pages 16 to 41).

Your Duty of Disclosure

Before you enter into an insurance contract, you have a duty to tell us anything that you know, or could reasonably be expected to know, which may affect our decision to insure you and on what terms. You have this duty until we agree to insure you. You have the same duty before you renew, extend, vary or reinstate an insurance contract.

You do not need to tell us anything that:

- reduces the risk we insure you for;
- is common knowledge;
- we know or should know as an insurer; or
- we waive your duty to tell us about.

If you do not tell us something:

If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and cancel your contract.

Calculating your premium

Your premium is calculated when your Petinsurance.com.au policy begins, and at each policy anniversary (and if you vary or extend cover) and is printed on the relevant Certificate of Insurance.

The premium for new policies is calculated based on a number of factors. Some are pre-set and don't vary for each insured (e.g. amounts we take into account for certain internal costs and expenses).

Others can affect the premium amount up or down depending upon whether we believe it increases or decreases the risk to us, such as the Cover you have chosen, the Benefit Percentage applicable to the Cover you have chosen, where you and your Pet permanently live, your age and the species, breed, gender of your Pet, the current age of your Pet, the age you first insured your Pet, and other factors related to our cost of doing business. These same factors may be used to calculate your premium when you amend your coverage. Further information about renewal premiums can be found under “Automatic Renewal of your Policy” on page 16.

The amount you pay includes allowances for government fees, taxes and charges (including stamp duty and GST). You can ask us for further information.

Minimum premiums and discounts/entitlements may apply, subject to certain criteria. Discounts/entitlements/ premiums may be rounded up or down and only apply to the extent any minimum premium is not reached. They are also applied in a predetermined order (excluding amounts for government taxes and charges) as reduced by any prior applied discounts/entitlements. They are applied to the base premium calculated prior to any taxes being added.

30 day cooling off period

You have a full thirty (30) days from the policy Commencement Date (or any renewal date) to make sure you are happy with every aspect of your Petinsurance.com.au policy. This is known as the “cooling off” period. During this time, you may cancel the policy simply by contacting us. If we receive your request to cancel your policy within the thirty (30) day period after the policy Commencement Date (or any renewal date), we will give you a refund of any monies received since commencement or renewal, less any transaction costs incurred by us, which we are unable to recover and any taxes or duties that we are unable to refund.

You cannot return your Petinsurance.com.au policy if you have exercised any of your rights or powers under the policy (e.g. you have made a claim) within the thirty (30) day cooling off period. After the cooling off period ends you continue to be able to cancel your policy and you have rights upon cancellation in certain circumstances under the policy. These rights are set out in ‘Section 7 – Cancellations’ on page 34.

Financial Claims Scheme and Compensation Arrangements

Hollard is an insurance company authorised under the Insurance Act 1973 (Cth) (Insurance Act) to carry on general insurance business in Australia by the Australian Prudential Regulation Authority (APRA) and is subject to the prudential requirements of the Insurance Act.

The Insurance Act contains standards designed to ensure that, under all reasonable circumstances, financial promises made by us are met within a stable, efficient and competitive financial system. Because of this we are exempted by the Corporations Act 2001 (Cth) from the requirement to meet the compensation arrangements Australian Financial Services licensees must have in place to compensate retail clients for loss or damage suffered because of breaches by the licensee or its representatives of Chapter 7 of that Act. We have compensation arrangements in place that are in accordance with the Insurance Act.

If we were to fail and were unable to meet our obligations under your policy, a person entitled to claim under insurance cover under the policy may be entitled to payment under the Financial Claims Scheme (access to the Scheme is subject to eligibility criteria). Information about the Financial Claims Scheme can be obtained from www.fcs.gov.au.

Authorised for issue

This PDS including the Policy Terms and Conditions was prepared by Hollard. Pet Insurance Pty Ltd and PetSure have given their consent to all statements by or about them in the form and context in which they are included and have not withdrawn as at the date of the PDS. These statements appear throughout the PDS.

POLICY TERMS AND CONDITIONS

The Petinsurance.com.au policy

Upon acceptance of application for your Cover, you will be issued a Certificate of Insurance. We will issue a new Certificate of Insurance:

- on renewal of your policy each year; or
- if you or we change your Cover.

Your policy will continue for a period of twelve (12) months from the policy Commencement Date unless cancelled by you under the cooling off period as explained on page 10 or cancellation provisions of the policy as explained in 'Section 7 – Cancellations' on page 34. We also have certain cancellation rights at law. For your convenience and to ensure continuity of cover for your Pet, we will automatically renew your policy each year, (refer to the "Automatic renewal of your policy" section on at the bottom of this page).

Your policy comprises of the Certificate of Insurance, PDS, Policy Terms and Conditions, FSG and any endorsements issued by us from time to time.

The basis on which we insure you

Subject to the Terms and Conditions of the policy, we will reimburse the Vet Expenses incurred by you as a result of a Treatment to the insured Pet for covered Accidental Injury or Illness Conditions up to the specified Benefit Percentage, but subject to any applicable Benefit Limit or Sub-limit, provided that:

- you have paid or agreed to pay the premium to us for the Cover provided;
- the Accidental Injury or Illness Conditions (whichever is applicable) arose during the Policy Period; and
- the Treatment occurred during the Policy Period.

Where we agree to provide Cover under the policy we rely on the representations made by you during your application for insurance.

Cover under the policy will depend on the level of Cover you have chosen. Your Certificate of Insurance will state whether your Pet is covered for Accidental Injury only, or for both Accidental Injury and Illness.

Additional and optional benefit(s) may also be provided if specified on your Certificate of Insurance.

Automatic renewal of your policy

We will advise you regarding renewal of your policy prior to the expiration of the current policy, and your renewal premium will also be adjusted accordingly.

Every year, we review the cost of everyone's insurance with regards to a combination of factors as well as claims inflation across all our

insured Pets. These factors include your Pet's age, breed, location, duration for which your Pet has been insured, claims history, as well as data relating to the health of Pets that are a similar age and breed. Your premium takes into account the average cost of care for Pets like yours.

We may also change the terms and conditions of the policy upon renewal to reflect the portion of the risk associated with insuring your Pet.

Unless you notify us otherwise, your Cover will be automatically renewed on the terms contained in the renewal offer and we will deduct/charge the renewal premium from your nominated account/credit card unless you tell us not to. If the account/credit card is not yours, you confirm you have the authority of the relevant person to use it and they have agreed to these terms.

We require you to notify us should you decide not to renew your policy.

Should you renew your policy, you must tell us if the information you have previously supplied is incorrect or incomplete in order to comply with your Duty of Disclosure. If you do not, we may reduce or refuse to pay a claim or cancel the policy.

Delivery of your policy documents and policy related communications

Unless you tell us otherwise or we tell you it is no longer suitable we will send your policy documents and policy related communications electronically. This includes email and/or other methods of electronic communication. You will need to provide us with your current email address and your mobile phone number. Each electronic communication will be deemed to be received by you on the transmission date recorded in our systems. Where we deliver your policy documents and policy related communications by mail in printed form all such communications will be deemed to have been successfully delivered once mailed by us to your last notified postal address.

Some important things you should know

Benefits do not accumulate across Policy Periods. The policy benefits will expire at the end of each Policy Period. Your rights and duties under the policy cannot be transferred without our prior written consent.

It is a condition of Cover that your Pet must regularly reside with you and be under your regular care and supervision at the physical address you provided to us.

SECTION 1 - DEFINITIONS

When interpreting these Policy Terms and Conditions:

- references to the singular include the plural and vice versa, and to the masculine include the feminine and vice versa; and
- monetary references are in Australian dollars.

Words that are capitalised have the special meaning explained below:

Accidental Injury means physical harm or injury arising from an accident. For the purposes of this policy, an accident is:

- a single specific, unpredictable, unusual and unintended external event which occurs at a particular time and place, with no apparent or deliberate cause but with marked effects; and
- is independent of any other cause including any Pre-existing Condition.

Benefit Limit and Sub-limits mean the applicable total amount payable under your policy in relation to the relevant Cover as specified in your Certificate of Insurance (determined as follows):

- if a specified limit or Sub-limit for a particular Cover, item, Condition or Treatment on an individual or per claim basis is specified to apply in the Certificate of Insurance, we will not pay more than that amount (subject also to the following annual limits and Sub-limits not having been exceeded); and
- we will never pay more than the overall annual benefit level specified in your Certificate of Insurance, unless a special annual limit or annual Sub-limit is specified as applicable to the particular Cover, item, Condition or Treatment (in which case the lesser annual limit or annual Sub-limit will apply).

Benefit Percentage means the stated percentage of each claim for eligible Vet Expenses for which we will reimburse you, subject to any applicable Benefit Limits.

Note: The applicable Benefit Percentage will be shown on your Certificate of Insurance.

For example: for an 80% Benefit Percentage we will reimburse you for 80% of the eligible Vet Expenses, subject to Benefit Limits. Refer to page 38 for an example of how claim payments are calculated.

Bilateral Condition means any Condition affecting body parts of which the Pet has at least two, one each side of the body (e.g. ears, eyes, knees, cruciate ligaments). Note: When applying a Benefit Limit or exclusion, a Bilateral Condition will be considered a single Condition.

For example: if your Pet displays clinical signs of a cruciate ligament Condition in the left leg prior to the Commencement Date of the policy or during the Waiting Period, Vet Expenses for a subsequent cruciate ligament Condition in the right leg will not be covered.

Certificate of Insurance means the relevant certificate we provide outlining the key details of the contract of insurance between you and us, and identifying the policy number, Commencement Date, Cover End Date, insured Pet, schedule of benefits including Benefit Limits.

Commencement Date means 23h 59min on the date when Cover for your Pet first started as shown on your Certificate of Insurance.

Condition means any Accidental Injury, or any manifestation of an Illness, including but not limited to any:

- Skin Condition;
- Bilateral Condition;
- Related Condition; or
- Recurring Condition.

on your toes...

SECTION 8: CLAIMS

8.1 How to make a claim

Should you need to submit a claim, your Vet may be able to do this for you electronically, at the time of your visit. If you elect to have your Vet submit your claim on your behalf, we will still communicate with you regarding the status of your claim. If your Vet has agreed to submit your claim electronically on your behalf, you agree we are authorised to receive each such claim submitted.

Alternatively, you can also submit your claims online through the secure Pet Portal: <https://portal.petsure.com.au/peti/Login>

Simply upload your documentation and click submit (from your computer or your mobile device).

You can also complete a paper claim form and send your original documentation via post. Claim forms are available on request by calling 1300 855 663 or can be downloaded from www.petinsurance.com.au

If you choose to claim via post, the attending Vet must complete all sections on the claim form where designated and both you and the attending Vet must sign the claim form.

All claims must be completed carefully and honestly.

8.2 Important claim information

1. Unless we agree otherwise, all claims must include itemised tax invoice/s, payment receipt/s (except when the claim is submitted via our real time claim system, where available) and applicable Consultation notes.
2. Incomplete claim forms will be returned to you and this may result in a delay in processing your claim. We recommend that you retain copies of all documentation for your records.
3. If submitting a claim for the first time, please include a full veterinary history from the attending Vet and any previous Vets who have treated your Pet. Failure to include this may result in delays in processing your claim.
4. All claims should be submitted to us and received within ninety (90) days of the relevant Treatment being provided and all accounts must be paid in full prior to submission of your claim (unless you are submitting a claim using our real time claim system (where available), whereby you agree that you will pay the Vet the remaining portion of the tax invoice (if any) after the claim payment (if any) is made by us to your Vet).
5. You agree that your Vet (current or previous) or any other service provider that provided Treatments to your Pet are authorised to release information and/or records to us about your Pet.
6. Where a Vet submits a claim on your behalf, you agree that the Vet is able to view the outcome and status of that claim and previous

claims (where applicable).

7. You agree that we are authorised to discuss with the Vet, details relating to your claim or Treatment provided to your Pet in relation to a claim made under the policy.
8. You agree that we have the right to decline to process a claim where you or your Vet refuse or are unable to provide information reasonably requested by us in order to process your claim.
9. We will not reimburse you for the provision of any information required in the purchase and administration of the policy nor for the assistance provided to you in the completion of any forms relating to the policy including the provision of any information in relation to a claim made under this policy.

8.3 What we will do

1. We will deal directly with you regarding settlement of the claim. Where available, where our real time claims system is used by your Vet to submit your claim, we will also provide information to your Vet about the settlement of your claim.
2. Unless we specify otherwise, we will pay you, not the Vet. Where available, where our real time claims system is used by your Vet to submit your claim, we will provide payment of your claim directly to your Vet.
3. If the Vet Expenses:
 - a) are considered by us to be excessive or unreasonable; or
 - b) are higher than the Vet Expenses normally charged by a general or referral practice; or
 - c) in our opinion may not be required; or
 - d) are regarded to be excessive when compared with the Treatment normally recommended to treat the same Condition by general or referral practices;

then claim payments will be adjusted and paid based on the reasonable and customary Treatment or fees typically charged for the Treatment of that Condition. We reserve the right to request a second opinion from a Vet that we choose. If the Vet we choose does not agree that the Treatment provided or fees charged were reasonable, we may decide to pay only the cost of the Treatment that was necessary and/or reasonable to treat the Condition (as advised by the Vet from whom we have requested the second opinion).

4. We will send you a letter/remittance advice regarding the settlement of your claim that will provide details of how your claim has been dealt with.
5. If you submit a fraudulent claim, or solicit your Vet to behave in a fraudulent manner regarding a claim, then the claim may be denied and we may cancel your policy altogether. We may also be entitled

to reclaim any payments already made to you in respect of such claims.

- When we settle your claim, we reserve the right to deduct from the benefit amount any amount due to us.
- In the event that we pay a benefit contrary to the Policy Terms and Conditions for whatever reason, this will not constitute a waiver retrospectively as they stand to any paid claims or to any future claims for that or any Related Condition. We also reserve our right to recover from you any benefit amount received by you as a result of such error.

8.5 Our rights of recovery

If we have the right to recover any amount payable under the policy in relation to a claim from any other person, you must cooperate with us in any action we may take.

8.6 Other insurance arrangements

If we accept your claim and there is any other similar insurance under which you are entitled to claim, you are required to advise us at the time you submit your claim if you hold such other insurance. Total benefits paid to you across all insurance cannot exceed your actual expenses.

SECTION 9 - FRAUD

It is unfortunate that with all types of insurance, fraud and attempted fraud can occur. We employ sophisticated fraud detection and prevention techniques to ensure we only pay out on genuine claims. By doing this we are protecting the interest of all policyholders and are able to offer a comprehensive policy with competitive premiums.

You must not act in a fraudulent manner. If you or anyone acting for you:

1. Make a claim under the policy knowing the claim to be false or fraudulently exaggerated in any respect;
2. Make a statement in support of a claim knowing the statement to be false in any respect;
3. Solicit your Vet to behave in a fraudulent manner regarding a claim;
4. Submit a document in support of a claim knowing the document to be forged or false in any respect; or
5. Make a claim in respect of any loss or damage caused by your wilful act or with your connivance.

Then:

1. We shall not pay the claim;
2. We shall not pay any other claim which has been or will be made under the policy;
3. We may at our option cancel the policy;
4. We may at our option cancel any other pet insurance policies you hold which are issued by Hollard;
5. We may be entitled to reclaim any payments already made to you in respect of such claims;
6. We may not make any refund of premium already paid;
7. We may inform the police of the circumstances; and
8. We may pursue legal proceedings.

SECTION 10 – DIRECT DEBIT REQUEST

When you provide us with your bank details, you are instructing us to directly debit the relevant premiums calculated by us from your nominated account.

If your premium cannot be paid (for example there is not enough money in your nominated account) your bank may dishonour that payment, and you may be charged a dishonour fee by your bank. Neither Hollard, Pet Insurance Pty Ltd nor PetSure will be responsible for dishonour fees charged by your bank or financial institution. If your direct debit is dishonoured we will automatically retry for the outstanding amount within fourteen (14) days, and you may be charged a dishonour fee by PetSure.

If you have concerns about the operation of the direct debit authority or you subsequently need to change any aspects of the authority, please notify us.

SECTION 11 – GENERAL INFORMATION

11.1 Changing level of Cover

1. If you opt to transfer your Pet to a level of Cover with higher or additional benefits (including but not limited to a higher Benefit Percentage or Benefit Limit) then the additional or higher benefits will not apply to claims for Conditions first noted, diagnosed, or treated prior to the policy upgrade. In such cases, benefits will be restricted to the lesser of the maximum benefits payable under the:
 - a) current level of Cover; or
 - b) policy that applied during the Policy Period in which such condition(s) was/were first noted, diagnosed, or treated.

For the sake of clarity, maximum benefits referenced in this section include taking the following factors into consideration:

- the policy Benefit Limit;
 - applicable Sub-limits;
 - applicable Benefit Percentage; and
 - any applicable policy exclusions.
2. If you opt to transfer your Pet to a level of Cover with additional benefits, for example Dog Accident Cover to Dog Accident and Illness Cover, then the applicable thirty (30) day Waiting Period for the Illness Cover will apply.
 3. You cannot change your level of Cover in a Policy Period if a claim has been paid.
 4. If you pay your premium via monthly instalments, there is no premium refund (including any remaining days of a current instalment period) when you change your level of Cover.
